# GENERAL INFORMATION

## BUSINESS TRANSACTIONS WITH THE COMPANY

On page one is shown information regarding the placing of long distance calls, securing numbers not listed in the directory, reporting telephones out of order and making emergency calls. Other matters, including business transactions, should be taken up with the business office either by telephone, personal visit or letter.

### BUSINESS OFFICE

225 East Main Street, Brevard,  
North Carolina, Telephone 883-9011

## SERVICE APPLICATIONS, CHANGES AND DISCONTINUANCES

Applications for new service, changes, additions and discontinuances of service should be handled through our business office. A telephone call will, in almost every case, enable you to transact business promptly and satisfactorily.

## BILLS AND PAYMENTS

Bills are rendered on the 1st of each month for local service in advance, for a one-month period from date of bill, and for long distance service for a one-month period through the 19th of the month preceding the month the bill is rendered for local service. Bills may be paid by mail or in person at our business office, 225 East Main Street, Brevard, North Carolina, or at First Union National Bank, Rosman, North Carolina.

## TARIFFS

Tariffs which show rates, rules and regulations for telephone service and facilities are on file with the North Carolina Utilities Commission, and are available for public inspection at our business office.

## TELEPHONE NUMBERS

The subscriber has no property right in the telephone number, and the Company reserves the right to change the call number or the central office designation associated with such number whenever it is deemed desirable in the conduct of its business.

## MAINTENANCE

All ordinary expense of maintenance and repair, unless otherwise specified in the Company's schedules, is to be borne by the Company. If any instrument or piece of apparatus is destroyed or injured, otherwise than by unavoidable accident, the subscriber is to pay the actual cost of replacing or restoring the same to its original condition.

## ATTACHMENTS TO TELEPHONES

To render satisfactory service, it is important that the Telephone Company furnish and maintain all apparatus and equipment connected with its lines. Except as provided in the tariffs, no line, instrument, appliance or apparatus not furnished by the Telephone Company shall be connected with, attached to or in any way used in connection with facilities of the Telephone Company.

## INTERRUPTION OF SERVICE

If the service is interrupted, otherwise than by negligence or wilful act of the subscriber, the only liability of the Company shall be to abate charges during the period such interruption continues, after forty-eight (48) hours' written notice thereof to the Company.

## RESPONSIBILITY FOR MESSAGES

Subscribers are responsible for all charges for messages originating from or reversed to their telephones.

## TELEPHONE DIRECTORIES

Loss of time and inconvenience by calling wrong numbers can be avoided by consulting the current directory before placing a call.

Between directory issues certain numbers do not appear in the current directory due to changes and new installations. These numbers may be secured by calling Directory Assistance 411.

Every effort is made to have listings absolutely correct. However, this Company is not liable for damages arising from errors or omissions in free listings. Its liability in the case of paid listings shall not exceed the charge for such listings during the life of this directory.

## TELEGRAMS BY TELEPHONE

Telegrams may be transmitted to and received from the telegraph office by telephone. To send a telegram or cablegram, call Western Union Telegraph Company, 883-3291. By arrangements with the Telegraph Company, any telephone subscriber may have charges for messages received or sent by telegraph charged to his telephone and collected with his telephone bill.

## USE OF RESIDENCE TELEPHONES FOR BUSINESS PURPOSES

Residence Telephones are installed with the understanding that they will be used for normal social or domestic purposes.

A Residence Telephone will be changed to business service, if used primarily or substantially for business purposes, or if the residence telephone number is advertised in connection with the sale of products or services, and the subscriber has no business service elsewhere within our system.

## DIRECTORY ASSISTANCE CHARGING

Requests for directory assistance in the 704 calling area (local dial 411 and long distance 555-1212) in excess of five-call allowance, per billing period, are charged for at 20¢ per call.

For each 704 long distance call made from and billed to a subscriber line, one free 704-555-1212 directory assistance call will be allowed within the same billing period without charge.

There is no charge for directory assistance outside of the 704 area code.

For further information, contact your business office.

# long distance calls

## station-to-station calls

to be billed to the telephone from which you are calling.

Beautiful color extension phones offer so much for so little. Luxury for the lady of the house . . . privacy and protection for the whole family.

You can accomplish so much with a Long Distance Call and save time and money in the process. It makes good sense.

**TEENAGERS GOT YOUR PHONE TIED UP?**

Today's teenagers use the telephone extensively. A telephone of their own makes an ideal gift . . . A gift the entire family will appreciate.

### RAPCO FOAM INSULATION CAN CUT YOUR FUEL BILL UP TO 50%

Rapco Foam is the most efficient  
form of residential or commercial  
insulation available today. When  
installed, Rapco Foam fills the  
space between walls com-  
pletely, with no settling or  
decomposition. This forms  
an insulating thermal  
barrier which in winter  
seals in heat and elimi-  
nates drafts. In summer,

this same barrier is a shield  
against heat. The result  
is a cut in your fuel  
bill of up to 50%!  
And you needn't  
worry about main-  
tenance or replace-  
ment, because Rapco  
Foam is warranted for  
the life of your home.
